LIVE
OUT
YOUR
FAITH
NOW

As we conclude RUSHCONF'25
this year we are focused on one objective –
Live Out Your Faith Now!

CHILDLIKE FAITH IS

more than acting like a kid. Childlike Faith is submitting to His ways and not our own to run the race before us. Childlike Faith can be spiritual, mental, physical or relational. It can be a response to sin in your life, how we respond, showing up for your church or youth ministry, showing up for your family, friends, classmates or teammates.

We want you to humble yourself before the Lord. In 2025-2026, **write it down, commit to something** that will let you walk in humility and childlike faith in your walk with Christ, and show up for Him—consistently. We will be here to provide you with resources that will help you as you Walk In The New which will then begin changing the world around you NOW.
